Subject: Dimock Residential GW Site - Final Reports

Final reports for the Dimock Residential GW Site have been uploaded to the R03FTPUser site. Files are saved in the EPA Laboratory directory with associated lab reports in subdirectories.

Attached are the files in case the FTP site is inaccessible. (There are more but will send tomorrow in separate email due to data file size.) Multiple EDD formats are provided so please let me know which one is preferred.

Region 2 - MBAS Results:

Region 9 - Dissolved Gases and TPH:
